Monthly waste paper collections at St James Church Centre

Each year we send off a claim to Wokingham Council for the previous year's waste paper collection. This year we have received a reply that they stopped the payment last year and informed us of this, but we have have no record of this, so all of last year's collection was in vain. Consequently we have decided that as we are no longer getting payment for this, the waste paper collection will cease after the collection on 18th February, and we will be telling this to all those who come to the February collection. Sorry to be the bearer of bad news but would like to thank everyone at the church for their support over the past 20 or so years!! Also it means that the church will no longer receive the £2000 that the collection raised annually.

Kind regards

The Waste Paper Team

I would like to take this opportunity to publicly thank all those who have worked so hard on this over the years. It is disappointing to finish when finding that our recent collections have not been a benefit to the Church directly, but we realise that a considerable sum has accrued to St James over the years, thanks to all of those who have worked so hard receiving our waste paper, and thanks also to those who have collected and brought their paper each month.

Looking on the bright side, it will ease the parking on the weekends with the third Saturday of the month in them!

Every blessing Nick
