I am a UK taxpayer and wish to Gift Aid my donations from the date of this declaration, and any made in the last 4 years. To qualify for Gift Aid I understand I must pay an amount of Income Tax and/or Capital Gains Tax at least equal to the amount of Gift Aid claimed on all my donations in that tax year (currently 25p for each £1 given). Council Tax and VAT do not count. I will notify the Gift Aid Secretary if I no longer qualify.
