## **Prayers for our church family**

We pray that now there are relaxing of restrictions, God will give us wisdom and understanding to know what's best in order to move forward in our daily lives and church.

We thank you Father that you are always with us, you know our hearts and our needs. Help us to keep our eyes fixed on you, our ever present help in times of trouble. Amen

## **Prayers for the world**

### **Covid-19 UK**

Pray for Reading and other communities around the UK as we emerge from lockdown, that people will remain vigilant and that second waves will be avoided. Pray for schools and businesses as they to re-open & for wisdom for Govt in health, economy and education.

### **Covid-19 Worldwide**

Pray for countries fighting the epidemic without the resources of an NHS. Also for situations where domestic violence, usually against women and children, has increased sharply. Pray for the Church, playing a key role in disseminating correct health messages and caring for people affected.

### **Pakistan and East Africa**

Locusts continue to plague farmers & their crops in several countries – in Pakistan, 30% or more of harvests have been destroyed. Pray for countries struggling with food security as well as Covid 19
