Prayers

Covid 19

Pray for our Govt and NHS as they respond to increasing numbers of cases in a second wave of infections. Pray for other parts of the world where health services are severely stretched. Over 100,000 have died in India.

Hurricane Delta

The storm has caused widespread damage to Mexico's Yucatan Peninsula, with floods and mudslides. It is heading north and will hit Florida on Friday. Pray for communities recovering or preparing for it.

Harvest

As we celebrate the harvest season, pray for farmers in Ethiopia and Somalia whose crops have been decimated by locusts and more recently floods. Nearly 80m people worldwide are displaced from their homes, mostly through conflict.
