Prayers

Pandemic 2nd Wave

Pray for our NHS as hospitals gear up again to receive large numbers of Covid patients. Pray for Govt and local leaders, as they bring in new restrictions, that these will slow down spread of the disease. Pray especially for student populations in Reading and other University towns.

Central Vietnam

Over 1m people have been affected by prolonged flooding, made worse by Storm Nangka on Thursday. Pray for those facing shortages of food and clean water, plus damage to homes and livelihoods. S.Sudan and Congo have also been hit by floods.

Climate Change

Whilst the world focusses on Covid-19, global warming continues, with extreme weather having greater impact on poorer countries. Pray for more determined and urgent action by world leaders.
