

# We're going on a Psalm Walk...

Before you set off read the Psalm and ask God to meet you through his creation and speak to you as you walk. Take time to wonder at the creation all around you

## Psalm 4

An Evening Prayer

**v 3 – Lord, every morning you hear my voice. Every morning, I tell you what I need, and I wait for your answer.**

Find a quiet place to pause and speak to God – give Him your worries and concerns for the day – listen for His response.

**v 3 – The Lord listens when I pray to him.**

Again, find a quiet place to pause and speak to God – ask Him to show you how your morning prayer impacted your day – listen for His response.

**v 8 – Show me clearly how you want me to live.**

Ask God to speak to you about paths he would like you to take in your own life today.

As you walk look out for signposts.

**v 6 – Many people ask “Who will give us anything good?”**

As you walk; see and acknowledge the wonderful gifts we have in nature. Take time to thank God for his provision and gifts today.

**v 1 – Make things easier for me when I am in trouble.**

As you walk focus on the ground beneath your feet. Is it smooth or rough? Steep or level? Submit your steps to God and ask him to make easier the things you are struggling with.

## Psalm 5

A Morning Prayer for Protection

**These two Psalms were written for particular times of day – use these two together and bookend your day with a Psalm walk.**

## Psalm 6

**"Get away from me, all you who do evil, because the Lord has heard my crying."**

This Psalm was written by David during difficult times – David is weak, tired and upset but he knows that God hears him and will come to his rescue.

**v6 – I am tired of crying to you, Every night my bed is wet with tears; my bed is soaked from my crying.**

- Look for sources of water on your walk.
- Can you make ripples in the water?
- As you watch the ripples disappear ask God to take away anything which is making you feel sad or upset.

**v2 – Lord, have mercy on me because I am weak. Heal me, Lord, because my bones ache.**

- As you walk turn your thoughts inwards. Feel your muscles working as you move. Feel your feet pushing off from the ground.
- Ask God to protect and care for your physical body, to strengthen you for the walk.

**v5 – Dead people don't remember you; those in the grave don't praise you**

- Look out for things which appear dead on your walk – fallen leaves, broken branches.
- Consider the cycle that they are part of, that they will return to the earth and become fertiliser for new growth.
- Ask God to give you insight into the bigger picture of his creation and plans.

**To be sung upon the Shemenith**

The instructions for this Psalm are that it should be sung upon the Shemenith – the lowest octave.

Pause and listen – what is the lowest, deepest sound that you can hear? Remember that God is with us at our lowest moments he hears our deepest cries.

## Psalm 24

Who is this glorious King?  
The Lord, strong and mighty.  
The Lord, the powerful warrior.

David wrote this Psalm to welcome God into the Temple. Before you embark on your walk pause and welcome God to be beside you and within you today.

v7 – Open up, you gates. Open wide, you aged doors and the glorious King will come in.

How many doors, gates or entrance will you pass through on your walk? Count them as you go.

v3 – Who may go up on the mountain of the Lord? Who may stand in his holy Temple?

- Find a high point to climb to, this could be hill or slope.
- Pause at the top and look down on where you climbed from.

v4 – Only those with clean hands and pure hearts, who have not worshiped idols, who have not made promises in the name of a false god.

- Take a moment to ask God if there are any areas of your life where you are falling short of his standards.
- Offer a prayer of repentance.

v1– 2 – The earth belongs to the Lord, and everything in it—the world and all its people. He built it on the waters and set it on the rivers.

As you walk and enjoy the wonders of God's creation remember that everything you see belongs to God and is known to him, from the tiniest seed to the tallest mountain.

"Who is this glorious King?"

As you walk look for thorns and briars. Remember that the glorious King of the Psalms humbled himself to die on a cross for us.
