

# Make your own Christmas Flipper Flapper

- 1 Cut along the thick black line to make a square.
- 2 Fold the paper in half along the red lines then unfold again.
- 3 Fold the corners into the centre along the yellow dashed lines.
- 4 Turn the paper over then fold the corners into the centre along the purple dotted lines.
- 5 Fold the resulting square in half twice then unfold the last two folds.
- 6 Slip your fingers gently into the flaps with the people pictures and play!
