Prayer for Woodley

Our January meeting will be in the Lounge here at St James on Saturday January 17th from 9am to 10am. Do hope you can join with us. (February 21st and March 21st also here)

Eco Prayer and tip

Eco thought! – as we look towards Energy Savers Week 19th – 25th January. We give thanks for the energy supplies we have available to us to use to keep our homes etc warm – gas and electric. Are there actions we can take to help us save energy and reduce our energy consumption? Stay warm, spend less.

Prayer:

Dear Lord, Help us all to understand how to take better care of your wonderful glorious world. Help everyone to understand that the exploration, burning and use of fossil fuels is damaging your world. Help us in our own small ways to reduce our dependence on fossil fuels. We pray for those who are developing new renewable energy technologies, and the infrastructure for renewable energies. We pray for the promotion and development of policies and practices to support the transition to renewable energies to aid the phasing out of the use of fossil fuels. May poorer countries be supported in adopting new renewable energy options. Help us Lord, with our individual actions to reduce our energy and consider the wider impact of our actions.

Prayer for Woodley Schools

- Pupils returning to school, some who will welcome it and some who will dread it, may they know your presence by their side
- For all staff as they begin another busy term.
- For inspiration writing new lessons for the new RE syllabus which is being rolled out in Wokingham schools.
- For enough REIW volunteers to meet the needs of the lessons schools are requesting.
