Church cleaning morning

On Saturday March 21st from 10.30am until 1pm we would like to get together a team of folk to carry out some essential cleaning tasks in church. Specifically, we would like to clean carpets, remove cobwebs or dust and clean our windows. If you could help with this, please sign up on the sheet on the table in the lounge. Thank you.

Confirmation Service

St John's will be hosting a service of Confirmation with Bishop Mary on Sunday 24th May at 4pm. This is open to anyone from other churches, include St James', who is interested in getting Confirmed as a next step on their journey of faith. If you would like to know more about Confirmation, please get in touch with Laurence or Linda!

St James Mowers and Strimmers!

You have probably noticed that the church grass is growing again! The combination of plentiful rain, slightly increasing temperatures and even a day or 2 of sun has caused lush new growth, especially on the Pre-School side of the building. But fear not - the St James Lawn Mowing Team will soon be in action again to keep it under control!

A new rota, to include both "mowers" and "strimmers", is soon to be produced, and the team would welcome new recruits! From April to October, we cut the grass once every fortnight, using a petrol mower stored at a house nearby. The church has also acquired a strimmer for trimming along the fence and around the edges of the lawns. If we get another dry summer, cutting may not be needed every 2 weeks.

If you are interested in joining the rota, for mowing or strimming (or both!!), please have a word with Bob Hansford or email on hansford_robert@hotmail.com. For existing mowers, please confirm whether or not you would like to stay on for 2026. Many thanks.

Easter Eggs and Coffee

'Easter Eggs and Coffee will be back this year! For those of you who were not around when this was run before (or have forgotten) this is how it works. Before Easter on Sundays 22nd or 29th March you donate a small Easter egg with an invitation for someone to join you for tea/coffee at a cafe/coffee shop. On Easter Sunday or the week after, you take an Easter egg that someone else donated and find out who has invited you out. It might be the person you know best at St James or someone you don't really know at all. (But they will be the same gender as you) So be brave and consider taking part, you will end up with two surprise encounters and hopefully enjoy getting to know each other better. Don't worry if all this sounds confusing, we will be explaining it in church soon...with pictures!

Eco Prayer and tip

Costing the earth!

Climate change is costing the planet billions in extreme weather, crop failures and people displacement. But is it possible that our savings, without us realising it, are fuelling climate change?

Many banks and pension funds invest in fossil fuel companies—unless we have chosen an ethical investor or fund.

This week's challenge: Find out what your bank is doing with your deposits! Is there a "greener" bank you could use?

PRAY:

- 1 For wisdom in how we use and invest our money, to minimise damage to planet earth.
2. For a speedy end to conflicts in mid-east & Ukraine, to reduce the enormous human & environmental cost.

Prayer for Woodley Schools

Give thanks for the 4 lessons this past half term. For discussions and questions raised by pupils.

Pray for all the prep for the lessons booked in for next half term.

Pray for enough volunteers to deliver all the lessons that have been booked

Pray that the passion for our faith will shine through all we do and say to both staff and pupils
