Men's walking group

Will be going on a country walk on Tuesday 10th March followed by a pub lunch. Please meet in the church car park at 9:30am

Church cleaning morning

On Saturday March 21st from 10.30am until 1pm we would like to get together a team of folk to carry out some essential cleaning tasks in church. Specifically, we would like to clean carpets, remove cobwebs or dust and clean our windows. If you could help with this, please sign up on the sheet on the table in the lounge. Thank you.

Confirmation Service

St John's will be hosting a service of Confirmation with Bishop Mary on Sunday 24th May at 4pm. This is open to anyone from other churches, include St James', who is interested in getting Confirmed as a next step on their journey of faith. If you would like to know more about Confirmation, please get in touch with Laurence or Linda!

Easter Eggs and Coffee

'Easter Eggs and Coffee will be back this year! For those of you who were not around when this was run before (or have forgotten) this is how it works. Before Easter on Sundays 22nd or 29th March you donate a small Easter egg with an invitation for someone to join you for tea/coffee at a cafe/coffee shop. On Easter Sunday or the week after, you take an Easter egg that someone else donated and find out who has invited you out. It might be the person you know best at St James or someone you don't really know at all. (But they will be the same gender as you) So be brave and consider taking part, you will end up with two surprise encounters and hopefully enjoy getting to know each other better. Don't worry if all this sounds confusing, we will be explaining it in church soon...with pictures!

Eco Prayer and tip

ECO-CHURCH. Fasting for the planet!

Many of us give up something for Lent. How about "fasting" from excessive or unnecessary buying, and being satisfied with what we already have? Overconsumption is costing the earth.

- The fashion industry generates 8-10% of global carbon emissions – more than aviation and shipping combined.
- 670,000 tonnes of furniture are discarded in the UK each year; new furniture produces 1,000 times more CO₂ than refurbishing old pieces.
- The UK is the 2nd-largest producer of e-waste per capita in the world. E-waste includes old mobiles, computers and TV's! only 30% is recycled.

Every new item we buy adds to our carbon footprint, by using natural resources, manufacturing costs, transportation, and eventual disposal.

When we fast from excessive buying, we reduce carbon emissions and help to save our precious planet. Give it a try this Lent!

Waste Hierarchy: Refuse (to buy), Reduce, Re-use, Repair and Recycle

And when we do buy, check the item was made sustainably, made locally and made fairly - look out for the Fairtrade logo too!

PRAYER

Father God, thank-you for the beautiful planet that you have made and entrusted to us.

Help us to use its resources wisely & sparingly, leaving ever smaller footprints on your

Creation. Teach us to say no to the temptation to buy, buy and buy again..... and show us new

ways of Reducing, Repairing, Re-purposing, and as a last resort, Recycling things we no longer

need. Make us better stewards of your Creation - in Lent but in the days to come too. Amen

Prayer for Woodley Schools

Give thanks for the 4 lessons this past half term. For discussions and questions raised by pupils.

Pray for all the prep for the lessons booked in for next half term.

Pray for enough volunteers to deliver all the lessons that have been booked

Pray that the passion for our faith will shine through all we do and say to both staff and pupils

Lessons Spring 2

Mon 23 Feb	Highwood Yr 4	Is forgiveness always possible for Christians?
Tues 24 Feb	Highwood Yr 2	How important is it to Christians that Jesus came back to life after his crucifixion?
